future of the EU					
	EPP	PES	ALDE	GREENS	GUE/NGL
	<p>+++ EU must become a genuine political union +++ emphasis on subsidiarity: not every problem needs a solution on European level +++ need for less regulation and a new emphasis on implementation and control +++</p>	<p>+++ citizens, civil society and social actors must have full democratic participation and control in EU decisions +++ decisions have to be taken on the appropriate level: local, regional, national or European +++</p>	<p>+++ decisions should be taken at the appropriate level (regional, national or EU) that serves best and directly the citizens +++</p>	<p>+++ need more solidarity, sustainability and justice to strengthen Europe +++ need of more direct and participative democracy in Europe +++ increasing transparency in the decision-making process +++ support for EU-wide referenda +++ strengthening the role of national parliaments concerning subsidiarity issues and the decisions of their governments in EU affairs +++ increasing the EU budget which must be basically based on own resources (EU taxes) +++ call for reshaping the competences among the different levels of governance in the EU to strengthen the European level (e.g. in tax policies) +++</p>	<p>+++ Neugründung Europas mit einem neuen wirtschaftlichen, produktiven, sozialen und ökologischen Modell, das auf Solidarität, sozialer Gerechtigkeit und Volkssouveränität beruht +++ Schaffung eines neuen ökonomischen, sozialen und politischen Integrationsprozesses auf EU-Ebene +++ Stärkere Demokratisierung der europäischen Entscheidungen +++ Für mehr Befugnisse für das Europäische Parlament und die nationalen Parlamente +++ mehr partizipatorische Elemente +++</p>

	EPP	PES	ALDE	GREENS	GUE/NGL
labour market / minimum wage / mobility	<p>+++ sustainable growth and job creation +++ encourage labour market mobility and flexibility +++ remove all remaining barriers that limit labour mobility across all EU Member States while respecting social standards at national level and striving for upward social convergence between EU Member States +++ promote language training as a key barrier to labour mobility +++ better European coordination for the provision of relevant and accessible training and job searching facilities for unemployed people to allow them to benefit from labour mobility in Europe +++ evaluate the viability of implementing successful national measures against youth unemployment such as dual vocational education, opportunities for flexible employment, traineeships and apprenticeships +++</p>	<p>+++ Europeans must have a decent job that allows a good quality of life +++ create jobs for young people as part of a long-term commitment to full employment +++ increase budget of Youth Guarantee plan and extend it to everyone under the age of 30 +++ introduce ambitious European industrial policy, support social economy and SMEs to create jobs +++ end the practice of exploiting workers and precarious contracts +++ strong rules to guarantee equal pay for equal work, the protection of workers` rights and quality jobs +++ reinforce trade unions` rights, social dialogue and anti-discrimination legislation +++</p>	<p>+++ facilitate the free movement of services and workers +++ SMEs: facilitate the creation of more jobs through easier access to finance, simpler rules for investment funds to support new, innovative businesses across Europe and opportunities for young entrepreneurs +++ EU must become a leader in start-ups and new innovative technology companies +++ apprenticeship diplomas and university diplomas must be freely recognised across borders +++greater mobility for academics and researchers +++ stronger emphasis on renewable energy will create jobs+++</p>	<p>+++ the European Youth Guarantee scheme has to be adequately funded and above all underpinned by a strong policy of job creation +++ put an end to zero-hours contracts, to low-pay jobs and unfair internships +++ advocate fair and gradually improving minimum social standards, particularly in terms of job quality and security, of wages and pensions +++ equal payment for men and women +++ equal representation of women in company boards +++combine family life with a successful career for men and women +++implementation of reliable basic standards in the pension models of all member states reinvigorate social dialogue where federations of employers and trade unions assume their responsibilities+++</p>	<p>+++ Effektive Geschlechtergerechtigkeit beim Lohn+++ Druck auf Arbeiter in Europa gegenwärtig, aber sehr ungleich in allen Ländern→ Dialog und Verständnis der verschiedenen Situationen +++ Prozess des Alter Summits, der soziale und gewerkschaftliche Bewegungen zusammenbringt, weiter entwickeln +++ Eine Dynamik der öffentlichen Rückgewinnung strategischer Sektoren, neuer Kooperation und industrieller Innovation anstoßen, um Beschäftigung und Gleichheit zwischen Männern und Frauen am Arbeitsplatz zu garantieren +++</p>

	EPP	PES	ALDE	GREENS	GUE/NGL
labour market / minimum wage / mobility	<p>+++ increase number of women participating in the labour force and in decision-making positions</p> <p>+++ reconcile work with family life</p> <p>+++ promote the diversification of careers in order to tackle labour market segregation and to foster female entrepreneurship in particular</p> <p>+++ create an integrated strategy for the inclusion of older workers in the labour market</p> <p>+++ social dialogue a prerequisite for the successful implementation of fair reforms (e.g. reforms of labour markets, pension systems, education systems)</p> <p>+++create incentives for enterprises and companies to recruit young people</p> <p>+++ promote active ageing as part of a wider reform of pension systems and raise the actual retirement age</p> <p>+++country-specific minimum wage levels implemented according to national labour laws</p> <p>+++</p>				<p>+++ Partizipatorische Demokratie in Unternehmen entwickeln, einschließlich Geschlechterdemokratie sowie Quotenpolitik</p> <p>+++</p>

	EPP	PES	ALDE	GREENS	GUE/NGL
quality	<p>+++ development of a legislative framework for the protection of persons and communities belonging to national minorities +++</p>	<p>+++ enhancing women's rights and gender equality +++ end of violence against women +++ promoting women's free choice and access to sexual and reproductive rights +++ end of the gender pay gap +++ fight against all forms of racism, sexism, homophobia, transphobia and intolerance +++ reform of the anti-discrimination legislative +++</p>	<p>+++ strong civil rights in the EU +++ strengthening of tolerance and equality +++</p>	<p>+++ stop discrimination against women +++ Full and equal rights for parental leave for women and men +++ more women in Europe's institutions and in the boardrooms of EU companies +++ fight against all forms of racism, sexism, homophobia, transphobia and intolerance +++ pushing the European Commission to protect the rights of minorities across Europe +++</p>	<p>Gegen die Diskriminierung von Frauen kämpfen +++ Gleichstellung von Frauen und Männern in der Arbeitswelt +++ bessere Unterstützung für die von der Europakrise stark betroffenen Frauen +++ Für Solidarität werben im Blick auf Individualismus, Xenophobie und Rassismus +++</p>

	EPP	PES	ALDE	GREENS	GUE/NGL
SME	<p>+++ creating the right conditions for SMEs for a proper market access and affordable intellectual property rights +++ EU must remain fiscally competitive for entrepreneurs +++ better market access for SMEs through public tenders and accessible funding +++ restoring liquidity to the economy, particularly with respect to SMEs +++ European Investment Bank (EIB) should facilitate easier access to capital, especially for SMEs +++ reformed cohesion policy focusing on SMEs +++ an official EU network for collaboration between large companies, SMEs and educational institutions +++ TTIPP as first step towards a transatlantic free market +++</p>				

	EPP	PES	ALDE	GREENS	GUE/NGL
competition, justice and data protection	<p>+++ reinforce consumer protection, especially in the context of the development of the digital market considering data protection as a cross-cutting issue +++ new rules for data protection have to strike the right balance between protecting personal data and ensuring the free flow of data in the EU digital single market +++ the new rules must not impose excessive administrative burdens and costs on businesses +++ privacy laws must not infringe upon free speech and freedom of the press +++</p>	<p>+++ solid EU legislation on the protection of citizens` personal data and access to information +++</p>	<p>+++ Europe should lead the world in data privacy +++ access to the private data of European citizens should always be subject to proper judicial process +++</p>	<p>+++ strong protection of personal data +++ data retention law is a serious mistake and must be abolished +++ governments must ensure that national security agencies work for all citizens to secure freedom and liberty for everybody +++</p>
